II course, 3rd semester.

№	The name of the theme	In total hours	Note
1.	Skin pathology	36	

INSTRUCTIONS FOR PERFORMING OF THE INDEPENDENT WORK

Independent work of students includes independent study of individual topics provided for in the work program. Student reporting forms are available to choose from:

Variant 1 – writing a summary

1. Independent work of students includes independent study of individual topics provided for in the work program and consists of writing (by hand) a response of 5 sheets for 1 hour of independent work.
2. In full-time training, independent work is submitted to students personally by the teacher.
3. In the distance learning format, the completed work is digitized, translated into .pdf format, and posted on the electronic information and educational portal of Volgograd State Medical University in the course of the discipline in the “Independent work” section.
4. Before posting on the educational portal of Volgograd State Medical University, you must correctly name the file being checked with the work performed:

 FULL NAME. student_group, course_ Samwork_No...

Vatiant 2 – presentation preparation:

1. A separate presentation is prepared for each topic of independent work.
2. Each presentation is completed individually by the student.
3. The number of slides in the presentation is based on 5 semantic slides for 1 hour. Thus, each presentation must have at least __ meaningful slides (the first slide with information about the authors is not taken into account).
4. The first slide indicates the topic of the work, full name and group number of the student who completed the work.
5. The slide should contain no more than 5-6 lines of text (font 14-18).
6. No more than 50% of the slides should have pictures or tables illustrating the material being considered.

7. In full-time training, independent work is submitted personally to the teacher in electronic or printed form in agreement with the teacher.
8. In the distance learning format, the completed work is translated into .pdf format and posted on the electronic information and educational portal of Volgograd State Medical University in the course of the discipline in the "Independent work" section.
9. Before posting on the educational portal of Volgograd State Medical University, you must correctly name the file being checked with the completed work:

_FULL NAME. student_group, course_ Samwork_No__

INDEPENDENT WORK EVALUATION CRITERIA.

Each topic of independent work is evaluated from 3 to 5 points, the work evaluated below 3 marks is not counted and requires revision by the student (see table 1).

Table 1. Calculation of marks for independent work of students

Evaluation Criteria	Rating mark
The work was not submitted, it was not submitted in full, the work does not correspond to the topic of independent work. The design of the work does not fully meet the specified criteria.	2
The work was submitted in full, but more than 2 gross thematic errors were made or more than 1 key question on the topic of independent work was missed. The design of the work partially meets the specified criteria.	3
The work was submitted in full, but 1-2 gross thematic errors were made or 1 key question on the topic of independent work was missed. There are minor deviations in design from the specified criteria.	4
The work was submitted in full, there are no gross thematic errors in it, and the key questions of the topic of independent work were not missed. The design of the work meets the specified criteria	5
